OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

No. 5617/251 Enc. 1 Register.

Bangalore, 21st September *1915.*

From

Rao Bahadur
M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To

P. C. D'Souza, ESQ., B.A., B.L.,
Secretary to the Government of H. H. the Maharaja of Mysore,
Education and Agricultural *Departments.*

SIR,

I have the honour to submit herewith the Register of applicants for the Medical scholarships of this year received in response to this office Notification D. No.14 dated 2nd August 1915, published in Part II of the Mysore Gazette dated 5th August 1915. Altogether 16 applications, (Nos. 1 to 16 in the Register) were received. The remaining five, Nos.17 to 21 inclusive noted in the Register, were actual holders of medical scholarships last year and their cases have also to be considered now. For the sake of convenience their names have also been added.

Of the candidates noted, Aga Mahomad Khasim, (Reg. No.17) who was studying in the Madras Medical College, failed in the 3rd L.M.S. Examination held in April last. He also failed once before in the 2nd L.M.S. Examination held in April 1913. I am not therefore in favour of continuing his scholarship, and the same may be given to V.V. Monteiro (No.21) who was given a scholarship last year from the provision in the Education budget for Pallegar scholarships, as per Government Order No.2704-5/Edn.23-14-2 dated 4th February 1915, which has to be absorbed now among the regular medical scholarships of this year. The scholarships of Hari Rao (No.18) H. Shama Rao (No.19) and R. Subba Rao (No.20) were

sanctioned for only one year from 1st July 1914 as per Government Order No.631-3/Edn.23-14 dated 13th October 1914. Among the applicants there are 5 graduates, Reg. Nos.3, 4, 9, 11, and 16, and I recommend that one of the scholarships may be given to Mr. B.S.-Iyengar (No.3) who is a B.Sc., studying in the II M.B. & B.S. class of the Grant Medical College, Bombay. He has been recommended by the Principal. Of the remaining four graduates, Mr. M. Hiriyanna (No.11) who is in the IV L.M.& S. class of the Madras Medical College, has been in receipt of a Sub Assistant Surgeon's scholarship from the Medical Department, and the Senior Surgeon, to whom the Register of applicants was referred for favour of opinions, is not in favour of giving him a higher scholarship. Mr. Govinda Rao (No.16) has taken up an appointment in the Education Department. Regarding Mr. M. A. Singriengar (No.9) the Principal of the Madras Medical College says that his progress is not satisfactory. I am not satisfied with the progress of Mr. B. Ramaswamiengar (No.4), who failed last year and whose scholarship was consequently stopped. The Principal of the Medical College merely remarks that the student seems to have improved since his stipend was stopped. If the improvement is maintained, his case may be considered next year.

The scholarships given last year as per Government Order No.-631-3/Edn.23-14 dated 13th October 1914 to D. Hari Rao (No.18), and H. Shama Rao (No.19), who are both Intermediates, may be continued till the end of June 1916. Hari Rao has passed the I M.B. Examination from the Madras Medical College and been promoted to the II M.B. class, while Shama Rao, having passed the IV M.B. Examination from the same college, has been promoted to the V M.B. Class. Both these have been recommended by the Principal of the Madras Medical College and the Senior Surgeon supports their applications.

There is no vacancy to continue the scholarship of M. Subba-Rao

R. Subba Rao (No.20), who has also been recommended by the Principal of the Bombay Grant Medical College. His case will have to be considered if a vacancy happens to occur in the course of the year.

I have the honour to be,

Sir,

Your most obedient servant,

M. Shamma Rao

Inspector General.
